SOFAR SOLAR Warranty Terms and Conditions

(valid for Europe)

FACTORY WARRANTY

The factory warranty period for SOFAR SOLAR inverters is 126 months (10.5 years) from the date of production from SOFAR SOLAR Huake Building, East Tech. Park, Qiaoxiang Road, Nanshan District, Shenzhen, China.

You can also purchase an extension of this SOFAR SOLAR factory warranty within 24 months from the date of manufacturing. Please see the SOFAR SOLAR price list for further information.

WARRANTY CONDITIONS

In case of a faulty inverter during the agreed SOFAR SOLAR factory warranty period, please report defective inverters with a brief error description to our service hot-line for registering and send your warranty card to our service department by fax/email to process the warranty claim if you use the inverter for purposes of your self-employed business or professional activity. You may also contact your specific dealer or installer if your unit is defective or faulty.

If you are a private end-user, please contact your installer, or any SOFAR SOLAR authorized Dealer or Distributor.

To make a claim under the warranty terms of SOFAR SOLAR, you will need to supply us with the following information and documentation regarding the faulty inverter:

- ✧ Product Model (e.g. SOFAR 20000TL) and serial number (e.g. SC1ES520E99001).
- ✧ Copy of the invoice and warranty certificate for the inverter.
- ✧ Error message on LCD screen (if available) and additional information regarding the fault/error.
- ✧ Detailed information about the entire system (modules, circuits, etc.).
- ✧ Documentation of previous claims/exchanges (if applicable).

If an inverter fails while it is under SOFAR SOLAR Factory Warranty, it will be:

- ✓ Repaired by SOFAR SOLAR, or
- ✓ Repaired on-site, or
- ✓ Exchanged with a refurbished inverter that includes all firmware updates

If the inverter needs to be exchanged, the remainder of the factory warranty entitlement will be transferred to the replacement unit, i.e. the warranty period of 126 months from production of the original device will continue. In this event, you will not receive a new certificate, as this replacement will be registered by SOFAR SOLAR. If the remaining warranty period is

SOFAR SOLAR

less than one year, you will automatically receive a full year warranty for the remaining warranty period of the replacement unit.

This factory warranty includes the cost to SOFAR SOLAR for work and material necessary to regain faultless functioning. All other costs, particularly transport-, travel- and accommodation cost of SOFAR SOLAR personnel as well as costs of your own staff are not included in the factory warranty. Furthermore, claims for compensation for direct or indirect damages arising from the defective inverter are not covered by this factory warranty.

For return transportation, inverters or components must be packed in their original or equivalent packaging.

SOFAR SOLAR keeps the right to arrange the warranty service for end users and to use third parties for performing warranty works.

All warranty services are free of charge only if the course of action is agreed with SOFAR SOLAR in advance.

SCOPE OF THE MANUFACTURER WARRANTY

To provide excellent Service to SOFAR SOLAR's end users, all SOFAR SOLAR authorized Dealers or Distributors are requested to respond to your warranty claim.
